Operational
Points of Contact

Contact details at which Operational Management can be contacted without undue delay are listed in the Operations Specifications.

This certificate certifies that Elitavia Malta Ltd is authorised to perform commercial air operations, as defined in the attached operations specifications, in accordance with the operations manual, Annex IV to Regulation (EC) No 216/2008 and its Implementing Rules.

Date of issue:

11-10-2016

Signature:

Name: Capt. Charles Pace

Title: Deputy Director General for Civil Aviation

TRANSPORT MALTA CIVIL AVIATION DIRECTORATE

AIR OPERATOR CERTIFICATE No. MT- 28

Elitavia Malta Ltd

General Conditions

This certificate is granted subject to the following conditions:

1. A person authorised by the Director General for Civil Aviation shall have access to any premises in the occupation or control of the holder of this certificate for the purpose of examining the premises and any document, equipment, tools, material or other things of whatsoever nature, relating to the operation of aircraft hereunder kept or used or intended to be used in connection with the operation of the aircraft.
2. A person authorised by the Director General for Civil Aviation shall be permitted at any time to board and fly in any aircraft operated under this certificate, and to enter and remain on the flight deck; provided that the Commander of the aircraft may refuse access to the flight deck if, in his opinion, the safety of the aircraft would thereby be endangered.
3. A person authorised by the Director General for Civil Aviation shall be permitted to board and fly in any aircraft in which any person is given a periodical test by or on behalf of the holder of this certificate.
4. The holder of this certificate shall furnish to the Director General for Civil Aviation for examination a copy of every operations manual, maintenance management exposition and of all other written instructions in force concerning the operation of the aircraft under this certification and submit any changes for examination.
5. Every flight under this certificate shall be conducted in accordance with the provisions of the Company Operations Manual and instructions.
6. The Operator shall, within a reasonable time after being requested to do so by a person appointed by the Director General for Civil Aviation, produce any document required to be stored in accordance with ORO.MLR.115 and shall permit an authorised person to inspect and copy any such document.
7. The holder of this certificate shall give to the Director General for Civil Aviation not less than 10 days' notice in writing of any intended change in the nominated person or in their duties.
8. The holder of this certificate shall give to the Director General for Civil Aviation immediate notice, in writing, if the Company goes into liquidation, or is placed into receivership or administration.
9. The certificate shall remain valid subject to:
 - i. The holder remaining in compliance with the relevant requirements of Regulation (EC) No 216/2008 and its Implementing Rules, taking into account the provisions related to the handling of findings as specified under ORO.GEN.150;
 - ii. TM CAD being granted access to the holder as defined in ORO.GEN.140 to determine continued compliance with the relevant requirements of Regulation (EC) No 216/2008 and its Implementing Rules; and
 - iii. The certificate not being surrendered or revoked.Upon revocation or surrender the certificate shall be returned to TM CAD without delay.
