As respects liability coverage for bodily injury and property damage arising out of the ownership, maintenance or use of aircraft described in this certificate, the definition of Insured has been amended to include (a) the certificate addressee, while actually using the aircraft within the scope of the permission of the Named Insured; and (b) any other person or organization, but only with respect to his, her, or its liability because of acts or omissions of the Named Insured or the certificate addressee. However, no such person or organization is an Insured if he, she, or it, or any of his, her, or its agents or employees is engaged in the manufacture, maintenance, repair, or sale of aircraft, aircraft engines, components or accessories, or in the operation of any airport, hangar, flying school, flight service, or aircraft or piloting service, as respects any occurrence arising out of such activity.

The Company waives any right to recovery it may have against the certificate addressee because of payments it makes for physical damage to aircraft described in certificate, but only to the same extent that the Named Insured has waived its right of recovery for such physical damage against the certificate addressee.
