As respects liability coverage for bodily injury and property damage arising out of the ownership, maintenance, or use of aircraft described in this certificate, the definition of Insured has been amended to include the certificate addressee, but only with respect to his, her, or its liability because of acts or omissions of the Named Insured while the aircraft is actually being used by the Named Insured on behalf of the certificate addressee.

Solely as respects operations arising out of charter services provided by the Named Insured to a client of the certificate addressee, the Company waives any right to recovery it may have against the certificate addressee because of payments it makes for physical damage to aircraft described in this certificate, but only to the same extent that the Named Insured has waived its right of recovery for such physical damage against the certificate addressee.

If the certificate addressee information shown on this certificate includes a valid mailing address, the Company agrees to give 30 days (10 if cancelled for non-payment of premium) notice to the certificate addressee in the event the policy is cancelled by the Company.

Notwithstanding any requirement, term or condition of any contract or other document with respect to which this certificate may be issued or may pertain, the insurance afforded by the policies described herein is subject to all the terms, exclusions and conditions of such policies. This certificate does not amend, extend or otherwise alter the coverages afforded by the policies described herein. Limits may have been reduced by paid claims.
