FLIGHT TERMS AND CONDITIONS

The following Terms and Conditions (hereinafter "T&C's") are an integral part of the flight quotation agreement between Airjetsul Private Jets (hereinafter "Airjetsul") and the Customer and are applicable for Charter Flights. Any amendment or variation of these T&C's are only valid if such variation or amendment has been confirmed by Airjetsul in writing to the Customer.

The subject of this contractual agreement is the transport of Passengers and/or goods from the point of departure to the point of destination as stated in this quotation. Airjetsul reserves the right to utilize any empty capacity the aircraft may have, including any empty legs of the flight, before, during or after the period in which the aircraft is available to the Customer, without any compensation to the Customer.

The acknowledgement of the signed quotation with a confirmation by Airjetsul constitutes a contract of carriage between the Customer and Airjetsul. The Customer acknowledges on behalf of its Passengers, and hereby warrants its authority to give such acknowledgement on their behalf, that no contract of carriage will exist between the Customer's individual Passengers and Airjetsul. Customer and Passenger shall remain jointly liable for the payment of the charter price and any additional costs for special catering, deicing, sub-charter, cabin cleaning or other damages or losses caused by Passenger

Included Costs

Aircraft costs including crew, fuel, maintenance, air navigation and airport charges, in-flight Airjetsul standard catering depending on flight time and time of day, Passenger and cargo insurances and taxes.

Fuel and Insurance Surcharges, de-icing of aircraft, special catering requests such as caviar and special wines or spirits. Any other special requirements such as limousine and satellite phone (this cost will be invoiced separately at cost, and reimbursed to Airjetsul by the Customer). Should there be any circumstances or changes in the flight schedule or routing, which exceed the

maximum crew duty time, enlarged or second flight crew will be needed and invoiced at separate costs. Changes are always subject to availability of additional crew. If a second cabin crew is selected it will also be invoiced to the Customer. Customer acknowledges that if Airjetsul has to use an extended crew, then there might be crew in the cabin during the flight and the crew rest area might be separated with a curtain.

Substitution or Sub-charter of Aircraft

This quotation is aircraft type specific and Airjetsul reserves the right to provide the Customer with equal aircraft type of the Airjetsul fleet at the same costs. In case the agreed aircraft type is not available Airjetsul is entitled to provide an aircraft type of lesser value with an adjusted price offer. In the event Customer does not agree to an aircraft of lesser value Airjetsul may sub-charter an aircraft of equivalent value and charge any additional cost to the Customer. Airjetsul is entitled to change the route, flight schedule, seating capacity and the maximum take-off weight if this is required under certain circumstances not caused by Airjetsul. Airjetsul reserves the further right to at any time postpone or redirect the flight or provide the Customer with another similar aircraft at the additional costs of the Customer, in the event that the flight cannot be performed with the offered/booked aircraft due to war, warlike events, infringements of a country's neutrality, insurrection, civil war, civil unrest, riots, sabotage, strikes, blockades, lockouts, quarantine, hijacking, terrorist actions, requisition, confiscation, expropriation, seizure, weather conditions or other force majeure of any nature, technical reasons, detention or similar measures, accidents with

Unless stated otherwise in mandatory (indispensable) legislation, Airjetsul is not responsible for damage or loss as a result of or arising, directly or indirectly, in connection with the above-mentioned circumstances. In the event that the above happens before the first leg of the flight stated in this quotation started and no suitable solution can be found, Airjetsul reserves the right to cancel the order. In this case, Airjetsul shall credit the Customer with an amount corresponding to the flight in question minus all expenses already incurred. In the event that the above happens en-route, any

costs arising from such changes or delays will be invoiced separately at cost and shall become payable by the Customer, excluding the cost of repairing the aircraft, but including the cost of arranging an alternative aircraft. If all costs (including any positioning flights back to homebase) and expenses already incurred are smaller than the amount relating to the flight in question, Airjetsul shall credit the Customer with an amount corresponding to the difference. Airjetsul shall not be liable for any damages to the Customer or its Passengers arising from any such delay.
