

Topjet does not guarantee the desired departure times at the airports. Our quotation covers all additional costs as landing-, handling-, airway-fees and crew-accommodation; but does not include special costs for de-icing due to weather-conditions, special catering, ground transport, passenger taxes and duties and other additional costs as per clause 6 of our General Terms and Conditions. The client is fully responsible for all immigration Papers and Visa of all Passengers and has to send these in a timely manner well before scheduled departure via mail to Topjet.

Carrier may cancel the flight without any further obligation to Client and Carrier shall not be responsible to provide any substitute aircraft in case any scheduled or unscheduled maintenance is due for the aircraft on the dates of the flight schedule, unless such termination is done less than 2 weeks prior to the first scheduled flight, in which case Carrier shall use it's best endeavours to provide a suitable replacement aircraft.

In the event of non performance, partial performance or delay resulting wholly or partly from any force majeure or occurrence or any circumstances whatever beyond the Carrier's control, including (without limitation) the acts or omissions of third parties, labour difficulties, weather condition, technical breakdown of or accident to the Aircraft or any part of it, natural disaster or the act of any authority, the Carrier shall use reasonable endeavours to perform or continue the Flight Schedule (and may at its discretion but without obligation substitute another suitable aircraft that need not to be the same model) but otherwise shall have no liability to the Customer beyond clause 10 of the General Terms and Conditions whatsoever. The Customer is liable to pay such part of the Price for and all expenses whatsoever connected with such part of the Flight Schedule which has been performed including the ferry to Carrier's homebase.

The Carrier's determination of the referable part of the Price and the connected expenses shall be conclusive, in the absence of manifest error in calculation.

3. Meeting Time

Topjet accepts no liability or responsibility for costs arising as a result of passengers' delay at meeting point or failure to ensure that the correct documentation is held but will undergo all reasonable efforts to perform the scheduled flight as close to the original schedule as possible; all additional costs however to be borne by Customer.
